

# America's Premier Surcharge-Free and Deposit ATM Solution

Built on a network of more than 55,000 ATMs located in premier retail settings, Allpoint solves your cash distribution and deposit acceptance needs. Give cardholders convenient cash access with more points of contact than the three largest U.S. banks combined, all without using a dime of capital.

Our worldwide network means your cardholders can quickly and easily get surcharge-free cash across the globe. From Alaska to Australia, finding an Allpoint ATM is fast, easy, and convenient.

**Allpoint ATMs are located in premier retail locations where your cardholders already shop, work, and play.**

# Cash Deposits

## Take your Allpoint Membership Further

Extend the value of your Allpoint membership with Allpoint+ Deposits and enhance your distribution strategy. Available in select U.S. retail locations where your cardholders regularly shop, Allpoint+ Deposits is the most convenient, cost-effective way to bring physical cash into digital banking and it's included with your Allpoint membership.

## Best-in-Class Convenience

Allpoint+ Deposits provides your institution with a ubiquitous, full-service ATM network that rivals services offered by large banks. Combining Allpoint+ Deposits with your Allpoint membership offers the same flexible cash access as full-service branches for your cardholders.

### Full-Service Banking

The performance of a branch-based ATM, deposits included

### Efficient Distribution

Instant scale without cost of deploying your own ATMs

### Top-Tier Locations

Located where your customer shop, not your competitors

### Convenience Redefined

Offer full-service ATM banking at more convenient locations

### Retain Focus

Enjoy more high-value time with cardholders in your branches

### Safe and Secure

Highly secure physical and network environments in safe, retail locations
